

UNLOCKing Insurance

UNLOCK has been developing access to fair insurance for reformed offenders since 2000, when we helped to set up the first service. Since then we have worked constantly to make it easier for you to get genuine cover at a fair price. The brokers on this list have promised to treat you with fairness and respect.

Remember:

- If you want the best deal, contact as many brokers as you can
- Don't forget to mention UNLOCK when you contact the brokers
- UNLOCK do not receive any financial benefit for referrals from this list
- You still need to declare your convictions as with any insurance contract
- If you find any information is out of date, please let us know
- We rely on your feedback, so please let us know how you get on
